2. Any ball striking a referee, goal post, or corner post and remaining on the field is in play.
3. The line itself is in bounds, and the ball is out of play (or a goal is scored) only when the entire ball is completely past the outer edge of the line.
4. If any part of the ball is still touching any part of the line (extended from the ground up into the sky), it is still in play.

2. In either case, the kicker is free to simply pass the ball to a teammate.
3. When a free kick is taken, the opposing team must stay at least 6 yards away from the ball until it is kicked.
4. A team cannot score against itself directly (i.e. without another player besides the original kicker touching the ball) on any free kick.

6. No opposing player can enter the penalty area until the ball has passed out of it.

Penalty Kicks:

1. A penalty kick is awarded after a penal foul takes place in the offending team's penalty area. It is a direct kick taken 12 yards from the goal line.

3. The goalie must stand on the goal line and may not move forward off of it until the ball is kicked.

THE THROW-IN:

2. Both hands, from behind and over the head, must throw the ball.
3. At the moment the thrower releases the ball:

4. If it is touched before it leaves the penalty area, the kick is retaken.
